RG-5000 3/8" Safety Cable Wire Rope Grab Device

Product Name: RG-5000 3/8" Safety Cable Wire Rope Grab Device

Manufacturer: GlenMartin, Inc.

Model Number: RG-5000

Product Description: GlenMartin

Safety Cable / Wire Rope Grabs are precision-crafted for vertical fall arrest protection. The cable grab device is a cam activated fall arrester which slides freely up and down a 3/8" (9mm) steel safety cable wire. Works great on both galvanized and stainless steel cables.

This safety cable grab is connected to the chest attachment points on the climbing harness via the included carabiner.

Meets all OSHA and ANSI regulations for vertical lifelines.
